

{the picturebooth}

Custom Prints

The Picturebooth's spontaneous and fun photographs can be enjoyed in many ways such as viewing online or ordering affordable quantities via *shutterfly.com*. In addition, **The Picturebooth** is pleased to offer high quality custom prints. By taking advantage of **The Picturebooth's** professional high-resolution digital images, two large sizes are available in gallery quality prints. Each image is evaluated and precisely crafted to highlight the individual characteristics that make it so special. By using the standard for premium photographic printing each image is exposed on real heavyweight archival photographic paper which is traditionally developed for a lasting and beautiful addition to your personal photo collection.

<i>available sizes and pricing</i>	
8x10 inches	\$80.00
11x14 inches	\$110.00
shipping and handling	\$20.00

All custom orders are printed on 100 year rated archival *Kodak Endura* matte paper with a white a border. The aspect ratio of the original photograph may differ from print size and a slight cropping will artfully be made at the discretion of the printer. *Payments must be made in advance.* Turnaround time for prints is 2 weeks from receipt of payment.
